Amazingly Awesome Sikkim Trip with Hodophilia

Nov 2024 • Family

Our Sikkim trip with Hodophilia was nothing short of magical! From the initial planning stages to the flawless execution, every detail was taken care of with utmost professionalism and a personal touch that truly made our journey unforgettable. The personal touch or the customized approach which is generally missing from tour planners is not the case with Hodophilia. Suggesting places to visit based on my knee condition, the entire team coming to wish us on our anniversary & arranging homemade foods when required are few of the customized things which we experienced during our trip.
